CHANGES IN THE ARMY.

The First Train for Months Leaves Jacksonville.

THE BALD-KNOBBERS AT WORK

Arrested for Fraud and Embezzlement—Must Oppose Boycotting and the Plan of Campaign.

Army Changes.

LOS ANGELES, Cal., November 15.—General Nelson A. Miles received formal notice from the War Department at Washington, this afternoon, of his transfer to San Francisco, to take the command of the Division of the Pacific, vice General O. O. Howard, who goes east to assume the Division of the Atlantic. General Miles states there will be no change in his staff.

WASHINGTON, November 15.—A formal order was issued by the Secretary of War, to-day, to relieve General Schofield, at his own request, of the command of the Army of the Atlantic, owing to his inability to perform the necessary work in addition to the general command of the army. General Howard was transferred from the Division of the Pacific to the Division of the Atlantic; General Miles from the Department of Arizona to the Division of the Pacific, and Colonel Grierson, Tenth Cavalry, to the Department of Arizona.

In the Interest of Dakota.

WATERBURY, Dak., November 15.—Governor Mellette has gone east to confer with General Harrison about the admission of Dakota.

From the Fever District.

JACKSONVILLE, Fla., November 15.—For the first time in nearly three months a train-load of passengers left here yesterday morning for the cities of the north via Macon, Georgia. The passengers flocked to the cars and were not allowed to leave them until they reached Macon. The party consists of seventeen persons.

A negro was taken suddenly ill on Tuesday afternoon at Jacksonville, and at 5 o'clock yesterday he died. An autopsy was ordered. Dr. Gibier, the famous Paris scientist, conducted the examination. The condition of the kidneys and intestines plainly showed a typical case of fever. Dr. Gibier secured some of the intestine fluids and will search for yellow fever microbes. The board of health has apportioned the town into medical districts.

Broker Corwith's Arrest

NEW YORK, November 15.—The arrest of Broker Gordon Corwith, in Brooklyn, Tuesday afternoon, excited comment in business circles in this city. Gordon Corwith, who is a son of Nathan Corwith, of lead syndicate fame, is charged with not having accounted for 400 carloads of lead valued at \$500,000; also with having fraudulently applied certain assets and with embezzling moneys that belonged to the firm of N. Corwith & Co. The assignee of the firm would neither deny nor confirm the report. Corwith was about to depart for Europe when arrested.

An intimate personal friend of Robert Garrett is authority for the statement that he has greatly improved recently and strong hopes are entertained of his ultimate recovery.

A Papal Rescript.

DUBLIN, November 15.—Irish bishops have received another papal rescript. It orders them to actively execute the former rescript, which instructs them to denounce the plan of campaign and boycotting. It also orders them to direct priests to preach against the agitation and forbid them to take any part in boycotting and plan of campaign movements, which they must oppose with all the means in their power.

Fire Record.

PARIS, November 15.—The government works for the manufacture of small arms, at Chatellerault, was burned, and will necessitate the suspension for a time of the manufacture of the Libel rifle. Loss 1,000,000 francs.

Unveiling Seward's Statue.

ALBANY, N. Y., November 15.—The ceremony of unveiling the Seward statue took place to-day, in the presence of a large concourse of people, including many distinguished guests from out of town. Little Fanny Seward, daughter of General Seward, and granddaughter of the statesman, unveiled the statue.

No Warlike Movement.

ST. PETERSBURG, November 15.—It is denied in government circles that the new changes in the organization of troops in western Russia have any warlike intent. The object of the movement is merely to develop defences necessary to preserve a military balance compared with the forces maintained by neighboring powers.

Women's Condition Advancing.

DETROIT, November 15.—At an executive session of the Woman's Congress, reports were made embracing the moral, industrial and educational condition of women in the several States and according to these, the general condition of women is advancing steadily.

New York.

NEW YORK, November 15.—Official returns from forty-five out of the sixty counties in the State and reliable estimates from others, show Harrison has a majority of about 13,000.

I have been bothered with catarrh for about twenty years; I had lost sense of smell entirely for the last fifteen years and I had almost lost my hearing. My eyes were getting so dim I had to get some one to thread my needle. Now I have my hearing as well as I ever had, and I can see to thread as fine a needle as ever I did. My sense of smell is partly restored and it seems to be improving all the time. I think there is nothing like E. J. E. Cream Balm for catarrh. Mrs. E. E. Grimes, 67 Valley Street, Rendell, Perry County, Ohio.

This is the TOP of the GENUINE PEARL TOP LAMP CHIMNEY.

All others similar are imitations. This exact Label is on each Pearl Top Chimney.

A dealer may say and think he has others as good, BUT HE HAS NOT. Insist upon the Exact Label and Top.
